WORK EXPERIENCE

Dragon Fund, Drexel University

Equity Analyst

Philadelphia, PA

Sept 2025 – March 2026

- Built and maintained investment memos and portfolio performance reports across Consumer Discretionary and Industrials, synthesizing Bloomberg/FactSet data into committee-ready materials for \$6M fund allocation decisions
- Conducted due diligence on 10+ securities using DCF and comparable multiples, producing written theses and visual summaries of macro and fundamental trends for formal investment review
- Tracked and reported on long/short position performance, validating 50% return on Buy (NXT) and 36% decline on Sell (BLDR) through quantitative analysis and ongoing market monitoring

FMC Corporation

Financial Planning & Analysis Summer Analyst

Philadelphia, PA

June 2025 – Aug 2025

- Prepared and disseminated variance reports and portfolio analytics across \$300M in costs, delivering written financial summaries and trend insights to senior stakeholders during quarterly close cycles
- Consolidated \$2B+ in operating expense data across 15+ global sites into executive-facing reporting packages, supporting resource allocation and strategic decision-making
- Built Python and Excel-based dashboards to analyze \$150M+ in workforce costs across 20+ cost centers, surfacing expense trends & producing actionable data visualizations for leadership

Day & Zimmermann

Compensation Analyst Co-op

Philadelphia, PA

April 2024 – Sept 2024

- Maintained and audited compensation records for 100+ employees in SAP, ensuring data accuracy and resolving discrepancies against market benchmarks and internal policy
- Produced benchmarking and market trend reports supporting pay equity decisions across multiple business units, demonstrating structured reporting under recurring deadlines
- Overhauled job records database using advanced Excel (VBA/Macros), improving data integrity and automating reporting workflows – reducing manual processing by 50%

SAP – World Sales Solutions Team

Consulting Associate

Newtown Square, PA

Sept 2022 – February 2023

- Boosted SAP Innovation Awards submissions by 30% through Power BI analysis, identifying trends, and targeted outreach
- Accelerated client decisions with stakeholder focused reports highlighting key risks and opportunities
- Expanded SAP Autism at Work program participation by 10% by creating tailored engagement campaigns

LEADERSHIP EXPERIENCE

International Students Union, President

March 2024 – March 2026

- Increased student engagement by 60%, and secured a 3x budget increase, by directing strategy and programming across 15+ campus wide events aligned with university goals
- Launched mentorship program for 200+ new students, improving first-year retention and enhancing cultural integration

ALPFA, VP of Outreach

June 2024 – April 2025

- Boosted chapter engagement 40% and corporate partnerships via targeted outreach and networking events

Alpha Sigma Alpha Sorority, Finance Chair

April 2024 – March 2025

- Optimized \$60K+ chapter budget, cutting manual tracking 50% and enabling strategic fund allocation for events
